Greetings:

Re: Great Lake Walk - Lake Cowichan, Saturday, September 16, 2006

On behalf of the Great Lake Walk Society, we would like to invite you to support one of Vancouver Island's premier walking/ultra-marathon events.

Since its inception four years ago, the Great Lake Walk has attracted thousands of participants. Well over \$300,000 has been raised for 208 charities and causes, making the Great Lake Walk one of the major fundraising events on Vancouver Island.

The goals of our Society are to promote the Cowichan Lake area thus improving commerce and the economic and civic welfare of the area. We seek to enhance and promote tourism opportunities and to support all registered charities.

We invite you to partner with the Great Lake Walk Society by sponsoring this 56-kilometer event. In return for your corporate support, we will provide you with promotional and marketing opportunities as described herein.

The Great Lake Walk also offers a charity team package for those corporations wishing to support their respective charities by entering a corporate team. More information regarding this package is available on our website, or via e-mail at [teams@greatlakewalk.com](mailto:teams@greatlakewalk.com).

The Great Lake Walk has numerous time sensitive promotional publications, including 20,000 brochures and media advertising, therefore we would appreciate knowing your level of commitment by December 1, 2005, in order to include your corporation in all our promotional materials. Kindly respond to Carolyne Austin at 250-749-6772 or at P.O. Box 136, Lake Cowichan, B.C. V0R 2G0.

Sincerely,

Evelyn Nowoselski, Chair  
Great Lake Walk Corporate Sponsors and Teams Committee
